--	--	--

1. Development Of Scales and Questionnaire

- Developed computerized version of psychological tests
- Developed Quality of Life Scales for service personnel and their families
- Developed Module of intervention after amputation
- Developed Scale for assessment of Life Events for Armed Forces
- Developed Norms on assessment of Educative ability using Standard Progressive Matrices
- Developed software on Stress Management
- Developed MANAS App Collaborative project for positive mental health

2. Research Projects

a) International

- i. WHO study of Ecology of stress

b) National

- I. **Under the aegis of Principal Scientific Advisor, Government of India, collaborative project on Mental Health Normalcy Augmentation System (MANAS),** an Initiative for positive mental was conceptualized. Armed Forces Medical College NIMHANS and CDAC are partners in the initiative. Proof of concept was approved by the Prime Minister's Science, Technology, and Innovation Advisory Council (STIAC). The second phase of project is completed as Co-Principal Investigator. App is developed and modules on Good Sleep, Social Connectedness and Mindfulness of psychological well being are developed. MANAS App was developed for the citizens of the country. MANAS App was launched by Governor of Maharashtra on 11TH November 2022 for

35000 students of Maharashtra University of Health Sciences. This will work as a bridge between the gap of mental health **care** provider and user. **This corresponds with Positive Mental Health initiative on digital platform.**

DRDO and Collaborative Projects

- II. Principal worker in the **DRDO based Indo-UK Research** Project titled “**Gender Integration and Resilience building for optimizing military performance**”. The project has been duly approved by O/O DGAFMS and sanctioned by DIPR (2017-2020). The project is completed and resilience building for soldiers and their families were undertaken. Project yielded sufficient evidence for the strategies to enhance psychological well being.
- III. **DIPR/PI/2004** - Task Development project on computerization of psychological tests in Hindi. Completed and Software given to all the centres.
- IV. Development and Standardization of Psychological Assessment Inventory for Admission of MBBS students in Armed Forces Medical College Phase. Job Analysis completed.
- V. **DGHS PROJECT Epidemiology** of Dementia in an Urban Center of Pune- An Armed Forces Medical College Initiative. Under the aegis of National Mental Health Program

ARMED FORCES MEDICAL RESEARCH COMMITTEE (AFMRC)
PROJECTS AS PRINCIPAL WORKER

- i. Comparative study of Personality Profile and Pattern of adjustment of AFMC and BJMC students. **Funded by AFMRC Principal Worker.**
- ii. **2188/97 -Psychological Well Being of Medical students: A longitudinal Study.** Project completed. **Principal Worker. Funded by AFMRC.**
- iii. **3114/02 - Normative study of educative ability on SPM and APM in service personnel. Frontal lobe dysfunction in schizophrenia A Neuropsychological Study. Principal Worker. Funded by AFMRC**
- iv. **3224/2004 - Comprehensive psychological assessment and management of amputees in services. Principal Worker. Funded by AFMRC.**
- v. **2006 A study of Neuro-psychophysiology of depression. Principal Worker. Funded by AFMRC.**
- vi. **3783/2008 Immunological response in Depression. Principal Worker. Funded by AFMRC.**
- vii. AFMRC Project 2009-2011 **Cross-sectional study of Psychological Correlates of Adaptation, Coping and Quality of Life in the HIV Seropositive Cases. Principal Worker**
- viii. Project 2010-2015 Development and standardization of psychological assessment procedure. **Principal Worker Funded by AFMRC**
- ix. AFMRC Project 2012-2014 On Development of Quality of Life Scale and Psychological Well being A Multicentered study. **Principal Worker Funded by AFMRC**
- x. **4514/2014 AFMRC** Cognitive behavior therapy in alcohol dependence cases - Principal Worker 2014
- xi. Study of prevalence of Scholastic Backwardness in schools of urban cantonment
- xii. Randomised Controlled Trial of depression on CBT and IPT **Principal Worker**
Funded by AFMRC 2017

ARMED FORCES MEDICAL RESEARCH COMMITTEE (AFMRC) RESEARCH PROJECTS AS CO-WORKER

- i. Cognitive deficits in HIV Positive Armed Forces Personnel A Neuropsychological Study **Funded by AFMRC Co Worker.**
- ii. **3080/01- Presumptive stressful life events in service personnel. Constructed a life events scale. Funded by AFMRC Co Worker.**
- iii. 3081/01. Alcohol and Aldehyde Dehydrogenase genotypes and personality correlates in alcohol dependence syndrome. **Funded by AFMRC Co Worker.**
- iv. 3112/02. **Rorschach norms for old age Indians. Funded by AFMRC Co Worker.**
- v. 3148/02. Ecology of stress among serving soldiers. **Educational material and CD was prepared based on the project Funded by AFMRC Co Worker.**
- vi. **2002 Trace elements in depressive disorders AFMRC Project. Funded by AFMRC Co Worker**
- vii. **2004 Serotonin System Abnormality in Depression Co- Worker. Funded by AFMRC**
- viii. **3775/2008 Study of prevalence of Psychiatric disorders in School going Adolescents in Cantonment School. Co Worker Funded by AFMRC**
- ix. **3774 /2008 Creation of Central Registry of Psychiatric Disorders Among Service Personnel. Co Worker Funded by AFMRC. 2008 Psychological Correlates of Psoriasis. Co Worker Funded by AFMRC**
- x. 2008 Assessment of Cognition in Extreme Climatic Conditions **Co Worker Funded by AFMRC**
- xi. **3809/2008 Psychological Benefits of Yoga in Troops. Co Worker Funded by AFMRC**
- xii. **4025/2011 A prospective Study of Neuropsychological Deficit and Cognitive Retraining in Patients of Traumatic Brain Injuries (TBI**
- xiii. **4618/2015 Longitudinal study of First Episode Psychosis.**
- xiv. **4622/2015 Enhancement of awareness of troops**
- xv. Coping of parents of children suffering from cancer AFMRC Project
- xvi. AFMRC Project **5017/2019 Establishment of Cohort in Armed Forces Medical**

c) ICMR Projects

- **ICMR Project** - Evaluation of psychological risk factors in Ischemic Heart Disease. Guide for under-graduate medical student
- **ICMR Project.** Psychological Health of Medical Students 2007
- **ICMR Project** –Psychosocial Correlates of HIV Seropositive Personnel 2008

d) Departmental Project

- Quantification of Stressful Life events in Service Personnel. Life events were identified, items were generated and pilot study was conducted.
- Development of Emotional Intelligence Scale for Undergraduate Medical Students.

3. APPOINTMENTS/POSITIONS AT NATIONAL LEVEL

- Member of National level task force on Stress Management
- **Invited as Departmental Expert of Assessment Board for promotion of Scientists** in at Recruitment and Assessment Centre Timarpur Delhi
- **Invited** member as panelist for the discussion on selection criteria of police personnel in **the Maharashtra State Government** on 1st April 2009 Ministry of Home and Security
- Member of expert group **Union public Service Commission**
- Member of expert group **Rehabilitation Council of India.**
- Core Committee Member of Promotion of Scientists in DRDO at **RAC Delhi**
- Departmental Representative of promotion of Scientists
- Interview Board Member of MBBS Selection process at **AFMC, Pune**
- Interview Board Member of Selection process of Principal of **Army Law College Pune.**
